## INTRODUCTION

### MESSAGE FROM SUPERINTENDENT

This student handbook is designed to inform parents, guardians, and students of academic and extracurricular offerings as well as Saraland City Schools' policies and procedures. However, no single document is all encompassing. Saraland City Schools' Board Policy, Curriculum and Instruction Manual, AHSAA guidelines, federal and ALSDE mandates, as well as local school and extracurricular procedures are subject to change and influence administrative decisions. Ultimately, decisions will be made to ensure the safety and security of Saraland students and employees. Address local school administrators with any concerns that may arise during the school year.

### VISION STATEMENT

A community **united** in building a school system where high expectations and the relentless pursuit of educational achievement establish the foundation for individual student success.

### MISSION STATEMENT

Building a foundation for student success.

### FOCUS AREAS

**Student Outcomes:** Maintain high expectations and provide equitable access to multiple opportunities resulting in high achievements for every student, every day.

**Stakeholder Satisfaction:** Provide opportunities to build and enrich relationships between the schools and community.

### NON-DISCRIMINATION STATEMENT

Saraland City Schools does not discriminate on the basis of race, color, national origin, sex, disability, or age in its programs and activities, and provides equal access to the Boy Scouts and other designated youth groups.

For inquiries regarding nondiscrimination policies, individuals should contact Mr. Jeff Ward, Title IX Coordinator, [jward@saralandboe.org](mailto:jward@saralandboe.org) or Mrs. Amy Pippins, 504 Coordinator, [apippins@saralandboe.org](mailto:apippins@saralandboe.org). Concerns may be mailed to 4010 Lil' Spartan Drive, Saraland, AL 36571. Assistance may also be requested by phone at 251.375.5420.

### RESIDENCY AND ENROLLMENT

Saraland City Schools was established by the residents of Saraland for students residing in Saraland. Residence, as used herein, means the fixed, permanent, full-time, and primary domicile of the parent(s), legal guardian(s), welfare-appointed custodian(s), or court-appointed foster parent(s) of a student. The legal residence, as used herein, shall mean that true, fixed, full-time and permanent home to which, whenever absent, the person in question has the intention of returning. Residence does not include a temporary or secondary place of residence established for some specific purpose. In other words, to be eligible to attend Saraland City Schools, the student must reside in a physical structure constituting a home (a house, apartment, condominium, etc.), located in the limits of this school district, with a person legally responsible for student care. Residence shall depend on the facts and circumstances of each case; however, the residence must be a place where important activities such as eating, sleeping, studying, working, etc. occur during a significant part of each day. ## GENERAL INFORMATION

### CHANGE OF ADDRESS

Changes in home address or phone number should be reported to the school office immediately. Changes of address require updated proofs of residency. Accurate information is necessary in the event a parent/guardian must be contacted due to an emergency or student illness.

### LOCKERS

During physical education class, students in grades 6-8 will utilize lockers in the gym locker rooms to store personal articles. Students in grades 9-12 will have access to both physical education and hall lockers.

Lockers will be assigned to students as soon as possible and should be kept neat, orderly, and locked at all times. Lockers are provided for the convenience of students and should be cared for in the same manner as all school property. Students should immediately report to the teacher all malfunctions or problems related to physical education lockers while concerns with hall lockers should be reported to the school office. Lockers are issued to students on a yearly basis. Students should not give their locker combination to anyone.

Students should not leave money or valuables in their lockers. The school will not be responsible for items stored in a student's locker. The administration reserves the right to periodically check lockers for health and/or safety reasons. The administration also reserves the right to check an individual locker if reasonable suspicion exists. Students are responsible for all items in their lockers.

### LOST AND FOUND

All lost and found items should be reported to the office. Unclaimed items will be collected periodically and given to charity.

### PERSONAL PROPERTY

Personal property (i.e., money, clothing, jewelry, etc.) is the responsibility of each student. These articles should always be kept in the student's possession. Students should not bring large sums of money or valuable personal property to school.

### SCHOOL VISITORS

Campus access to visitors is restricted and requires administrator approval. All school facilities are smoke (vape) free. Upon arrival, all school visitors are required to report to the main office, present a photo ID, sign in, secure a visitor's pass, and comply with school policies and procedures while on campus. Visitors who fail to maintain behavior that enriches the educational environment are subject to restriction from all school facilities, activities, and events.

Students enrolled in Saraland City Schools are not permitted to bring visitors to school during regular school hours without prior approval from the principal.

### TELEPHONE USE

Students will not use the office phones except when conducting school business and then only with permission from the office staff. Only messages of an urgent nature from parents will be delivered to students.

### BEFORE AND AFTER SCHOOL CARE

Parents/guardians are expected to take responsibility for ensuring their child arrives before the beginning of school and is picked up after the end of school. If for any reason parents/guardians are unable to ensure student arrival and departure within thirty (30) minutes prior to time students are to report to class and thirty (30) minutes after the last class, a conference should be scheduled with the principal to discuss the matter (see Board Policy 3.24 Opening and Closing of Schools and 3.26 Care of Students Before and After School).

Kid Zone, a private, independent day care business, provides before and after school care service for students in **kindergarten-5<sup>th</sup> grade**. Contact at 251.490.5380 for more information and fees.

### DELIVERIES TO STUDENTS

Deliveries of flowers, balloons, fast food, or other items to students are not permitted.

### ALABAMA LITERACY ACT – RETENTION, GRADE 3

With the goal of improving student reading skills in Alabama, the Alabama Legislature passed the Alabama Literacy Act, which became law on June 10, 2019. This legislation requires educators to concentrate systematically to improve all public school students' early literacy reading skills so that every student is reading at or above grade level by the end of the third grade. In compliance with current legislation, in the 2023-2024 school year, third graders must read at grade level to be promoted to fourth grade. For additional information on the Alabama Literacy Act email Mrs. Bridgette Nolf, [bnolf@saralandboe.org](mailto:bnolf@saralandboe.org) or Mrs. Ashlee Lomax, [alomax@saralandboe.org](mailto:alomax@saralandboe.org).

Students must meet with their assigned counselor to plan for this option.

Students opting for mid-year graduation will not be allowed to participate in any extracurricular activity or sport after December. However, based on acceptable conduct at each preceding event and with administrative approval, mid-year graduates may participate in events such as the commencement ceremony and prom. Mid-year graduates waive opportunity for consideration of Latin honors.

**HIGH SCHOOL EXAMS**

Comprehensive semester exams will be administered in December and May, coinciding with the end of second and fourth quarters. These exams are required and constitute 20% of a semester average. Half-credit courses follow exam guidance based on a comparable end-of-term schedule. Advanced Placement (AP) students will participate in the National AP exam as well as mock AP exams and are eligible for semester exam exemption in an AP course.

**WEIGHTING HIGH SCHOOL GRADES**

The weighted grade process for class ranking purposes begins ninth grade year and continues through grade twelve. Board approved eighth grade courses will receive appropriate high school credit and will be included in cumulative GPA; however, these courses will not be included in ranking GPA.

**LATIN HONORS**

Latin honors recognize the top 15% of each graduating class based on the following designation:

- Summa Cum Laude (with highest honors), 95<sup>th</sup> percentile or higher
- Magna Cum Laude (with high honors), 90<sup>th</sup> – 94<sup>th</sup> percentile

## **VIRTUAL PROGRAM**

A virtual program is offered exclusively for 9<sup>th</sup> – 12<sup>th</sup> grade students through ACCESS. For more information, contact a Saraland High School counselor at 251.602.8970.

## **HIGH SCHOOL TRANSCRIPT REQUESTS**

High school students will request transcript copies electronically using parchment.com. If additional information is needed, contact a Saraland High School counselor or the registrar.

## **HIGH SCHOOL EARLY COLLEGE AND DUAL ENROLLMENT PROGRAMS**

Early College and Dual Enrollment offer high school students the opportunity to earn college credit concurrently while in high school. For approved coursework, students may receive both high school and college credit. Earned dual enrollment credits may transfer to the student's attending college following high school graduation. Interested students should contact a school counselor for course availability and fee information. Note: Students enrolled in dual enrollment who require class accommodations may have to coordinate services with the college's division of special services – see a Saraland High School counselor for guidance.

## **INDEPENDENT STUDY / OTHER LEARNING EXPERIENCES (EARLY RELEASE FOR SENIORS)**

Independent study is an earned privilege available to seniors at Saraland High School. Independent study is a non-credit class scheduled during 4<sup>th</sup> block and available to Seniors. Its purpose is to enhance the Alabama State Department of Education's goal of having students "College and Career" ready as they graduate high school. Interested seniors who are in good academic standing with credits/coursework required for graduation and who have attained a college or career readiness indicator must apply and provide documentation of the planned learning experience prior to approval and scheduling. Applications are available during course selection. For additional information, email Kim Zwierzynski at [kzwierzynski@saralandboe.org](mailto:kzwierzynski@saralandboe.org).

Enrolled students must leave the school premises each day at the end of 3<sup>rd</sup> block. Students are not to remain in the building or on the school property, nor be on any other school property throughout the district while school is in session. Students participating in after-school activities should leave campus and return to that activity after school has been dismissed. Students who fail to comply with independent study guidelines may have the privilege suspended. Additionally, violations of the *Student Code of Conduct* as well as academic or attendance concerns may result in revocation of this privilege. Grades, attendance, and discipline will be reviewed quarterly. Students opting for independent study/early release are not eligible for Latin honors.

## **HIGH SCHOOL CREDIT FOR MIDDLE SCHOOL STUDENTS**

All grade 8 students are eligible to enroll and earn high school credit for successful completion of Business Software Applications I. Grade 8 students who maintained a cumulative average of an 85/B or higher in Spanish 7 are eligible to enroll in the Spanish I course for high school credit. The final grade earned in these courses will become part of the student's high school transcript.

## **FIELD TRIPS AND EXCURSIONS**

Field trips and excursions are extensions of classroom instruction and provide quality learning opportunities for students to participate in unique and enriching educational experiences. School administrators and teachers

adhere to district procedures to ensure student safety is a priority on all trips off campus. The following are minimal procedures for all field trips and excursions away from school:

- Students are expected to exhibit their best behavior, and the *Student Code of Conduct* is fully applicable for all activities.
- Students must submit to school officials a parental permission form, completed and signed by their parent / guardian, prior to departing on each school sponsored field trip. Students not submitting a signed permission form will not participate in the activity.
- Guidelines for parental participation for each activity will be provided by school administration.

## **PARENT/GUARDIAN CONFERENCES**

Parent/guardian conferences with administrators, teachers, and staff are encouraged and required annually. Conferences should be scheduled through the school office. Conferences with classroom teachers are held only during non-instructional time.

## **PARENT/GUARDIAN INVOLVEMENT**

The Saraland City School Board of Education believes that to achieve the maximum educational growth for students, there must be a conscious, collaborative partnership between the parents/guardians of students and the school. Parents/guardians of students in Saraland City Schools are encouraged to learn about the educational programs, goals, objectives, and activities at their child's school. The Board encourages parents/guardians to participate in activities designed to involve and educate parents. However, respecting the privacy of all students and striving to provide an environment free of disruptions, parental visitation is limited to non-instructional time and must comply with health department recommendations. Additional information regarding the parental involvement is in the LEA Consolidated Plan and is available at [www.saralandboe.org](http://www.saralandboe.org) under the Federal Programs Department.

## **PROGRESS REPORTS (September 7<sup>th</sup>, November 9<sup>th</sup>, February 1<sup>st</sup>, April 19<sup>th</sup>)**

All students are provided a mid-quarter progress report. High school students with a 69 or below in any given class will be mailed a mid-quarter progress report. Additionally, progress reports are sent home bi-monthly to early education, elementary, and middle school students. All schools provide online access for parents/guardians to check student progress in PowerSchool, the student information system gradebook. A link to the PowerSchool Student Portal is located on each school's webpage as well as the district's webpage. If needed, parents/guardians may contact the school office to obtain login information/assistance.

## **REPORT CARDS**

Report cards are issued quarterly to provide a measurement of student mastery of the course of study standards. First, second, and third quarters, students in K-8 will receive report cards to deliver to parents/guardians while report cards for students in grades 9-12 will be mailed quarterly. All students' fourth quarter report cards will be mailed. The only valid report card for Saraland students is the PowerSchool report card printed on watermarked paper. Issued report cards are not to be altered, and any corrections needed should be reported promptly to the principal.

## **MULTI-TIERED SYSTEM OF SUPPORT SYSTEM (MTSS), RESPONSE TO INSTRUCTION (RtI), AND PROBLEM-SOLVING TEAMS**

MTSS is a team approach designed to remove barriers, provide opportunities, and promote the success of all students from a comprehensive perspective that may include academic, behavioral, physical, and mental health, as well as social-emotional support. Response to Instruction (RtI) integrates classroom instruction, assessment, and interventions to promote student achievement and reduce behavior problems. The RtI process is used to identify and monitor students who are at risk of failure. Problem solving teams monitor student progress and adjust intervention based on student need. These teams make high-quality decisions to support all students, especially those at risk of failing to achieve state performance standards. Parents who have concerns about their child needing support should contact a school administrator.

## SCHOOL AND CLUB/EXTRACURRICULAR ACTIVITY FEES

The Saraland Board of Education approved the following fees for Saraland students. Fees will be due at the beginning of each school year.

**ADDITIONAL EDUCATION PROGRAMS AND SERVICES****FEDERAL PROGRAMS**

Saraland's Federal Program Advisory council, comprised of central office staff, school administrators, teachers, parents, and community stakeholders, meets annually to complete a needs assessment for student learning and review and update all federal plans. During the meeting, all federal budgets are discussed. Additionally, a parent meeting is held first quarter to review the Parent's Right to Know documents developed by the state and school system federal program departments. Moreover, these documents are sent home with all students by September 30<sup>th</sup> of each school year. Contact Mr. Jeff Ward, Federal Programs Director, at 251.375.5420 or [jward@saralandboe.org](mailto:jward@saralandboe.org) for additional information.

**ENGLISH LEARNERS PROGRAM**

The English Learners Program includes the identification of students who are limited-English proficient (LEP) and non-English speaking (NES). Once EL students are identified, appropriate educational programs are developed, and student progress is monitored. For additional information, call 251.375.5420 or email Mrs. Lindsey Simmons, English Learner Resource Teacher, [lsimmons@saralandboe.org](mailto:lsimmons@saralandboe.org).

**COUNSELING SERVICES (also see MENTAL HEALTH section)**

Each school provides guidance counselor(s) in addition to the guidance provided by teachers and administrators. The school guidance counselor(s) serve students in all grades in large group (class size), small group, and

individual counseling sessions. The school counseling standards include academic, career, and personal/social development. Contact your child's school counselor for more information about available services.

## **SUMMER SCHOOL**

A summer program may be available for students in grades 9-12 who wish to earn credit advancement or make up a failed core subject(s). Contact a high school counselor at 251.602.8970 for program details.

## **SUMMER LITERACY PROGRAM**

A 60-hour summer literacy camp is offered to students in grades K-3 who qualify based on provisions in the Alabama Literacy Act. For additional information on the Alabama Literacy Act email Mrs. Bridgette Nolf, [bnolf@saralandboe.org](mailto:bnolf@saralandboe.org) or Mrs. Ashlee Lomax, [alomax@saralandboe.org](mailto:alomax@saralandboe.org).

## **GIFTED SERVICES**

Intellectually gifted students are those who perform or who have demonstrated the potential to perform at high levels in academic or creative fields when compared with others of their age, experience, or environment. These students require services not ordinarily provided by the regular school program. Students possessing these abilities may be found in all populations, across all economic strata, and in all areas of human endeavor. Teachers, counselors, administrators, parents or guardians, peers, and other individuals with knowledge of the student's abilities may refer a student for consideration for gifted services. Additionally, all second grade students will be observed as potential gifted referrals using a gifted behavior checklist. Parents must be informed when their child has been referred. For each student referred, information is gathered in the areas of aptitude, characteristics, and performance. A matrix is used to record information and points are assigned in each area according to established criteria. The total number of points determines eligibility for gifted services. A referral for gifted services can be made by contacting the school gifted specialist, principal, or Mrs. Amy Pippins, Director of Special Services, at 251-375-5420 or [apippins@saralandboe.org](mailto:apippins@saralandboe.org).

## **SPECIAL EDUCATION SERVICES**

Saraland City Schools provides special education and related services to students determined eligible for services in accordance with state and federal guidelines. A special education referral may be made by a parent/guardian, school personnel, or relevant individuals who suspect a child may have a disability. Referrals can be made verbally or in writing, and all information regarding the special education process can be obtained from the school's principal or by contacting Mrs. Amy Pippins, Director of Special Services, at 251-375-5420 or [apippins@saralandboe.org](mailto:apippins@saralandboe.org). All referrals, evaluations, and educational support are provided in accordance with the *Individuals with Disabilities Education Act of 2004* and the *Alabama Administrative Code Chapter 290-8-9 Special Education Services*.

## **NOTIFICATION OF TRANSFER OF SPECIAL EDUCATION RECORDS**

Records for special education students are digitally maintained through a statewide student database. Upon transferring to another public education agency in the state of Alabama, a student's special education records will transfer electronically upon enrollment in the new agency. There is no electronic transfer of records for students when enrolling in out-of-state schools. The receiving school must submit a written request for records.

## **SPECIAL EDUCATION STUDENT RECORDS/GIFTED AND TALENTED STUDENT RECORDS (GEP FOLDERS) RETENTION/DISPOSITION**

Records for each student enrolled in a special education program include identifying information, parental consent forms, and most current eligibility documentation. Disposition in this edition of the RDA, "Retain 5 years after the termination of the special education program in which they were used" adheres exactly to the wording of Chapter 290-8-9.08(2)(h)1-3 of the Alabama Administrative Code, which provides rules for the retention of special education student records. Under the revised disposition, the state Department of Education has directed that on January 1, 2014, all records from January 1, 2009 and back may be destroyed, regardless of whether the student is active or inactive in the school system. The special education program referred to is the program created for an individual student, not the local school or school system's overall special education program. The state department has also requested a minor change in disposition for records of gifted and talented students, with the phrase "reaches age 18" replacing "exits school."

## CHILD FIND NOTICE FOR CHILDREN WITH DISABILITIES

In compliance with Child Find, Saraland City Schools ensures that all children residing in the jurisdiction of the local education agency, birth to twenty-one, regardless of the severity of their disability, and who need special education and related services are identified, located, and evaluated. Child Find also applies to children with disabilities who attend private schools, including children attending religious schools within the jurisdiction of Saraland City Schools, highly mobile children with disabilities (e.g. migrant children), and homeless children, or children who are wards of the state and children who are suspected of having a disability and are in need of special education services even though they have not failed, been retained in a course/grade, or are advancing from grade to grade.

If you know of a child who may be in need of special education services or if you would like to receive additional information regarding services for students with disabilities, contact Mrs. Amy Pippins, Director of Special Services, at 251.375.5420 or [apippins@saralandboe.org](mailto:apippins@saralandboe.org).

**Section 504 of the Rehabilitation Act of 1973 (Section 504)** is a civil rights statute that prohibits discrimination/harassment based on a disability in any program or activity receiving federal financial assistance. Section 504 provides: "No otherwise qualified individual with a disability in the United States...shall, solely by reason of her or his disability, be excluded from the participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance..." For questions regarding 504 procedures, contact Mrs. Amy Pippins at 251.375.5420 or [apippins@saralandboe.org](mailto:apippins@saralandboe.org).

## ATTENDANCE

One of the most important things a parent or guardian can do for their child is ensure they are in school on time every day. Attendance is key to their learning, success in school, and ultimately success in life. Saraland City Schools maintains attendance and truancy policies, which were written in accordance with Alabama State Board of Education Administrative Code, and §16-28-1 *et seq.*, Code of Alabama (1975).

Details of those policies follow on subsequent pages. If you have any other questions, please contact the principal or Mr. Jeff Ward, Student Services Coordinator, at 251.375.5420 or [jward@saralandboe.org](mailto:jward@saralandboe.org).

- Students between the ages of six (6) and seventeen (17) shall be required to attend a public school, private school, church school or to be instructed by a competent private tutor for the entire length of the school year.
- A school day is defined as the starting and ending time of the entire day.
- Students must be in attendance one-half of the instructional day to be counted present. The parent or guardian **must send a written note** if the student is checked out prior to completing one-half of the instructional day. In grades 6-12, attendance is recorded each period/block. In grades 9-12, excessive absences in a block may result in loss of credit.
- Checkouts should be conducted through the main office no later than 2:15 pm for middle / high school students or 2:30 pm for early education center / elementary school students.
- Students are required to be on time for school.
- Late arrivals should report to the main office to check in.
- Any missed school will be categorized as an excused absence, excused tardy, unexcused absence, or unexcused tardy.
- Excessive absences will subject a student and parent or guardian to truancy policies and procedures.

## TARDINESS

Being late to school or checking out of school is excused or unexcused for the same reasons as absences. A student is considered tardy if not seated in class when the tardy bell rings. Any student who arrives after school has begun must report to the office to check in. Habitual tardiness greatly affects a child's progress in school. Per semester, tardiness to school or class for resident students in grades 6-12 shall be addressed as follows:

4 <sup>th</sup> tardy	One (1) hour after school detention, parent/guardian notification
5 <sup>th</sup> tardy	One (1) hour after school detention assignment or Saturday School, parent/guardian notification
6 <sup>th</sup> tardy	One (1) day ISS assignment, parent/guardian notification
7 <sup>th</sup> tardy	Two (2) day ISS assignment and notification letter from attendance officer
8 <sup>th</sup> tardy	Three (3) day ISS assignment, parking privileges will be revoked for the remainder of the

Each add'l tardy	semester – no less than 25 school days (no refunds), parent/guardian notification Five (1) day ISS assignment and subject to referral to the Early Warning Truancy/Discipline Program, revoke driving privileges (if applicable)
------------------	--

If a student checks in or out five (5) times unexcused, it will be converted to an unexcused absence per period/block for the purpose of loss of credit.

In grades K-5, administrative conferences will be scheduled with parents of students with excessive tardies to develop a corrective plan of action.

## ABSENCES

Absences are **excused** for the following reasons:

- Illness
- Death in immediate family
- Inclement weather which would be dangerous to the life and health of the child as determined by the principal
- Legal quarantine
- Emergency conditions as determined by the principal
- Administrative Approval – requires prior permission of the principal upon request of the parent or guardian
- A chronic ailment that may cause the student to miss school. A doctor's statement is required to verify the student's condition. At the beginning of **each** school year, a new chronic ailment statement from the doctor must be provided. *A parent or guardian note is still required for any chronic ailment absence.*
- Head lice – students should return to school as soon as possible once cleared of lice and nits. A maximum of three (3) days are excused for each occurrence of head lice.

Students in grades K-8 are allowed up to ten (10) excused absences per year with a written statement from a parent or guardian. The excuse shall state the reason for the absence, the date of the absence(s), and have a parent/guardian signature. When a parent/guardian has exhausted notes justifying ten (10) student absences, all future absences will require a written excuse from a medical physician or clinician to be coded as excused. High school students are allowed five (5) excused absences per semester.

Absences that do not fall under one of the "excused absence" categories are deemed **unexcused**. The following are also deemed unexcused:

- Failure to send a note within three (3) days of the absence upon returning to school.
- Failure to secure prior approval from the principal for administrative approved absences.
- Failure to secure prior permission from the principal for out-of-town trips.
- Failure to provide a medical/clinical excuse after a student has accumulated ten (10) parent notes for the year.

## EXCESSIVE ABSENCES

High school students who are absent five (5) or more days per semester will not receive credit for the course, unless otherwise approved by the principal. Five (5) unexcused tardies to the same class shall constitute one (1) unexcused absence for said class. In cases where there are extenuating circumstances, the principal may extend the maximum number of absences a student may accumulate before credit is withheld. On-campus parking privileges will be revoked for students who accumulate 10 or more unexcused absences and state-issued driver's license will be subject to being suspended by the Alabama Department of Transportation.

## TRUANCY

Truancy is the habitual and unlawful absence from school. Section 16-28-16 of the Code of Alabama governs truancy. If a child is truant, the parent or guardian can be charged with criminal action in Juvenile Court. Truancy is determined by unexcused absences. Unexcused absences shall be addressed as follows:

- One (1) unexcused absence: Parent or guardian notification
- Five (5) unexcused absences (including suspension days): Mandatory attendance at the school's Early Warning Truancy/Discipline Program
- Seven (7) or more unexcused absences: A petition may be filed against the parent or guardian in the Mobile County Juvenile Court

The Early Warning Truancy/Discipline Program shall be set by the school attendance officer and is a mandatory meeting. The purpose of the program is to review the attendance policy of Saraland City Schools and the consequences of being truant. This meeting is also an opportunity for the parent or guardian to discuss the attendance or discipline of their child with school officials. Failure to attend this meeting will result in a court petition being filed against the parent/guardian.

If a petition is filed in the Mobile County Juvenile Court against a parent or guardian for truancy, he/she will be required to appear before the Juvenile Court Judge. If found guilty of the charge, he/she shall receive probation or a misdemeanor conviction and may be fined and sentenced up to 90 days in the county jail. The parent or guardian and the student may also be ordered to participate in programs that address the issues relating to the truancy of the student.

### **DENIAL OF DRIVER'S LICENSE OR LEARNER'S PERMIT**

The Department of Public Safety may deny or revoke a driver's license or learner's permit for any student who has 10 consecutive or 15 cumulative unexcused absences per single semester. The Superintendent or designee will use the Student Enrollment/Exclusion form to notify the Department of Public Safety when a student is not in compliance with the attendance policy. The Superintendent or designee will advise a student of any report sent to the Department of Public Safety. A student will have the opportunity to appeal within 15 days of the issuance of enrollment status. The appeal should include a written statement of reasons for the appeal and be submitted to the Superintendent or his designee.

### **ATTENDANCE AWARDS**

A perfect attendance award shall be awarded to students who have attended school every day based on documentation of the attendance record. Students who are tardy two (2) or more times or have checked in/out two (2) or more times per semester may not be eligible for the Perfect Attendance Award.

### **COLLEGE VISITS**

High school students must receive prior permission from school administration for college visits. Official documentation from the college/university must be presented to the school following the official visit to ensure the absence is coded properly.

### **MAKE-UP WORK FOR UNEXCUSED ABSENCES**

If a student is absent for any unexcused reason as previously defined, the student will be allowed to make up work at the discretion of the principal.

### **MAKE-UP WORK FOR EXCUSED ABSENCES**

If a student is absent for any excused reason as previously defined, the student may be allowed to make up work through the following guidelines:

- The principal/teacher(s) will consider the type of illness, the length of the time absent, and the amount of make-up work due.
- The parent/student will be responsible for contacting the teacher(s), counselor, or front office staff to arrange make-up work.
- For extenuating circumstances, special consideration may be given at the discretion of the principal.

### **SCHOOL PARTICIPATION ABSENCES**

Students who are away from school because of participation in official school-sponsored activities shall be marked present and allowed to make up missed work. Students who are absent from school must have permission from the principal to participate in any school extracurricular or co-curricular activities (i.e., athletic contest, cheerleading, scholars' bowl, etc.).

### **EARLY DISMISSAL FROM SCHOOL**

To comply with school early dismissal procedures, parent/guardians of students must present photo identification to school office personnel before a student will be allowed an early dismissal from school. Such persons are not to go directly to classrooms for this purpose. All students must sign out through the front office before leaving campus.

## CHANGES IN STUDENT TRANSPORTATION

Changes in the mode of student dismissal must be in writing. For the safety of students, phone calls will not be accepted to change student dismissal arrangements. Changes should include name and grade of student and should be submitted in writing to the school office. Students who are not regular bus riders may not ride the bus unless a written request is submitted and approved by the office. Only individuals listed as authorized on enrollment documentation may pick up a student. A driver's license/photo identification must be presented when requesting to pick up a student from school.

## WITHDRAWALS

Parents should contact the school office regarding withdrawal procedures. A student leaving school or transferring to another school should empty locker (if assigned), return all school property, and pay any outstanding debts.

Students must attend school until the age of seventeen (17). If a student drops out of school prior to the age of seventeen (17), a Student Exit Interview must be conducted with the high school principal in an attempt to resolve circumstances impeding a student from staying in school. A student's driver's license may be suspended by the Alabama Department of Public Safety until the age of nineteen (19) for students who choose to drop out of school.

## MENUS

Cafeteria menus are published monthly on the district and each school's website.

## LUNCH ACCOUNT

Saraland City Schools purchased a contactless system for students to use for breakfast and lunch purchases. Students will be issued a barcode which will be scanned at each point of sale regardless of free, reduced, or paid lunch status. Saraland cafeterias use *offer versus serve*. The *offer versus serve* option allows students to decline some of the food offered to diminish waste and allow students to choose the foods they prefer to eat.

## LUNCH ACCOUNT DEPOSITS

- Students may make deposits to a meal account at the serving line. Payments should include student's name and lunch account number.
- Online deposits can be made to the student's meal account using [www.paypams.com](http://www.paypams.com), an automated payment system. For assistance with PayPams, contact Mrs. Pam Patterson, CNP Specialist, at 251.602.9017 or [ppatterson@saralandboe.org](mailto:ppatterson@saralandboe.org). Specific online payment instructions are also located on school and district websites.

- Students participating in the Free and Reduced Breakfast and Lunch Program may also deposit additional funds for meal payment or à la carte purchases into their meal account.
- Breakfast and lunch money for early ed/elementary students should be sent to school in an envelope marked with the child's name, homeroom teacher, and 5-digit meal account number, unless payments for meals are processed using [www.paypams.com](http://www.paypams.com).
- Please do not include funds for other purchases such as field trip money, fundraisers, etc. on checks designated for meal payment.
- Only food served in the lunchroom can be purchased with the money deposited in meal accounts.
- On the last day of school, any funds remaining on a student's lunch account will automatically roll over to the next school year.

### **LUNCH ACCOUNT NEGATIVE BALANCES**

- The Saraland City Board of Education strongly discourages the charging of foods and beverages to meal accounts. An alternate meal may be served to students who have insufficient funds.
- Uncollected cafeteria charges constitute a bad debt and are not allowed.
- Extra servings and à la carte purchases **are not** allowed when a meal account has a negative balance.
- The parent/guardian of any student who purchases foods and beverages from the Child Nutrition Program is required to provide funds through the meal account and is responsible for resolving all negative balances immediately.

### **FREE AND REDUCED PRICED MEAL APPLICATION**

The free and reduced meal application is available online. The process is secure, private, and available anytime, anywhere. Visit a school or the district website for information and a link to the application or contact Mrs. Pam Patterson, CNP Specialist, at 251.602.9017.

- Saraland City Schools encourages each family to complete an application.
- During registration each school year, parents/guardians will receive information with an application, or an application can be completed online.
- Only one completed application per household is needed.
- List every child enrolled in Saraland City Schools on the same application.
- Applications are processed as quickly as possible; however, it can take several days. Submit completed applications as soon as possible.
- Students who received free or reduced meals last year must complete a new application each school year. Parents/guardians have up to thirty (30) days from the first day of school to complete and submit the new application. After the thirtieth (30<sup>th</sup>) day, parents/guardians are responsible for paying full price until their child's application has been processed and re-approved by the Child Nutrition Program.
- Parents/guardians are responsible for paying the full price for all meals until the Child Nutrition Program has processed a student's meal application.

### **WELLNESS POLICY**

To decrease the rate of childhood obesity in the United States, the USDA made changes to the National School Breakfast and Lunch Program and to the amount and types of foods and drinks allowed during the school day. Carbonated beverages are not permitted in early ed/elementary school at any time and are limited in the high school. A lunch must include a fruit and/or vegetable along with at least two to three other items with a total of at least three food components to count as a meal. Breakfast must include at least three meal components to count as a meal. Fried foods will be limited.

Fast food is not allowed in school cafeterias. As a result, bags, cups, or food containers that display fast food establishments are not permitted in the cafeteria.

Parties are not permitted during mealtimes. Contact your child's teacher and/or principal if you would like to bring a treat for a special occasion. Treats should meet healthy snack alternative standards. Support of parents/guardians is appreciated as Saraland Schools foster a healthy school environment for students.

### **HEALTH SERVICES**

The Health Services Department assists students and staff in the areas of health services, health education, and a healthful environment. The role of the school nurse within this program is to strengthen the educational

process of children and youth by assisting them to improve or adapt to their health status. The school nurse will promote wellness and disease prevention by early intervention and identification of health problems that interfere with learning. This Health Services section of the student handbook is a basic overview and not intended to address all questions and concerns parents, guardians, and/or students may have. Please refer to your school nurse for detailed plans for all health questions.

Saraland school nurses work as a team and want children to succeed in school. Contact a school nurse to ask questions or express concerns about your child's health or well-being.

## **ALLERGY GUIDELINES**

If a student has a SEVERE allergy or intolerance, the parent/guardian should indicate this issue on the Health Assessment Form and notify the school nurse by providing appropriate information from their physician. Effective in 2015-2016 per laws in the state of Alabama, Saraland City Schools began stocking on school campuses Epinephrine Auto-injectable pens for first time severe anaphylaxis reaction with a student or staff. For more information on the Anaphylaxis program in schools, contact a school nurse. If your child has a known severe allergy, please provide appropriate physician prescribed medications (i.e., Epi-pen, Benadryl, etc.).

## **COMMUNICABLE DISEASES**

Saraland City Schools follows the Mobile County Health Department guidelines for communicable disease control and prevention. Listed below are a few of the common communicable diseases that nurses encounter in the school setting.

**Head lice** – Pediculosis, more commonly known as head lice, is routinely found in early ed, elementary, and middle school student age groups. The following interventions are important to help control the spread of head lice in the school community:

- Examine your child's head regularly, especially behind ears and at the nape of neck for crawling lice and/or nits (eggs).
- Crawling lice and/or nits found within ¼ inch from the scalp are signs of a positive head lice infestation, which requires treatment with an over the counter or prescription lice-killing product. All infested family members must be treated by carefully following the product's directions completely.
- Children with live bugs will not be allowed in school until their heads have been treated and the nits removed. All nits must be removed to prevent re-infestation. Saraland City Schools has a nit-free policy, which means all nits must be removed before the student re-enters the classroom.
- Contact your child's school nurse if you have had to treat your child for head lice. The nurse is available to serve as a resource and will need to check your child's head to ensure there are no remaining live lice or nits prior to your child returning to the classroom.

**Pinkeye** – Conjunctivitis can be very contagious. If the white of a child's eye is red and has a thick yellow or greenish colored drainage, the child should stay at home. Drainage due to allergies is usually clear and involves both eyes simultaneously. Pinkeye may involve only one eye at a time. Children with pinkeye are usually light sensitive and complain of itching and burning in the eye(s), swollen eyelids, and dried discharge on eyelids upon awakening.

**Impetigo** – Impetigo are sores that have become infected and can be found anywhere on the body including the face. The sores can drain infected material before becoming crusty. If the sores have not dried, they will need to be covered while the student is in school. A child can return to school once treated by a physician for at least 24 hours. Upon returning to school, the parent/guardian will need to provide a written statement from the treating physician.

**Ringworm** – Ringworm is a fungal infection of the skin (Tinea Corpus), hair, and nails. Ringworms must be covered with a clean dressing while the child is at school. Ringworm of the head (hair – Tinea Capitus) will need to be evaluated by a physician.

**Strep throat** – If a child has been diagnosed as having strep throat (this requires a special test by a health care provider), the child should stay home for 48 hours after antibiotic therapy has been started by a physician.

## ILLNESS GUIDELINES

Many parents are concerned about when to keep children who have been ill home from school. The following are a few of the most common reasons children should stay home or may be sent home from school:

**Fever** – A child should stay home if he/she has a fever of 100 degrees (orally) or higher and should remain home for 24 hours after the fever has gone without medication.

**Sore throat** – Sore throats are very common and can be caused by sinus drainage, mouth breathing, viruses (colds), bacteria (Strep), dehydration, and anything that can irritate tissue (such as food, hot liquids, etc.). When a student has a fever with a sore throat, the student should see a health care provider before returning to school. A student who has a sore throat with a fever of 100 degrees or more will be sent home.

**Vomiting and/or diarrhea** – A student should stay home from school if he/she has vomited or has had diarrhea (more than two or three loose stools) just prior to the start of the school day and remain at home for 72 hours after the vomiting/diarrhea have subsided. If one or two loose stools are present along with vomiting or fever, a child should remain at home. If diarrhea continues for more than 48 hours, a child will need a doctor's written statement to return to school.

**Cough/nasal drainage** – A cough that is chronic can spread germs and be disruptive in a classroom. Please take this into consideration when deciding to send a student to school. The school nurse may evaluate a student with a cough, and if determined to be excessive, may be sent home. A child should not come to school with excessive coughing, sneezing, and nasal drainage. If the child has been awake at night with these interruptions, allow the child to recover at home. For a student to have cough medicine at school, the student must have a Prescriber/Parent Authorization Form (PPA) completed and signed by both a doctor and a parent/guardian. The parent/guardian must bring the medication to the school nurse. Students are not permitted to carry the medication.

**Rash** – There are all types of rashes. Some are nothing more than irritated skin, while others are very contagious. Any child who has an undiagnosed rash should not attend school. A child should be taken to his/her physician for evaluation of rashes, especially if there is an association with fever, sore throat, or cough. When a child is sent home from school with a rash, a physician's note is required for the child to return to school.

## HEALTH SCREENING, ASSESSMENT, AND CARE

The school nurse may provide screenings or referrals for screenings in vision, hearing, dental, scoliosis, blood pressure, and various other assessments. The school nurse also provides chronic disease management and education for students, along with identification, assessment, intervention, and evaluation of student health concerns. Vision screening is performed in all K, 2<sup>nd</sup>, and 4<sup>th</sup> grade classes. Hearing screening is performed at the early ed, elementary, and middle school every other year. Dental screening is performed by a dentist in the month of February for 1<sup>st</sup> and 3<sup>rd</sup> grade students. Scoliosis screening is performed on all 5<sup>th</sup> through 9<sup>th</sup> grade students. School nurses also perform all screenings for referrals from special education and other intervention programs. If a parent/guardian would like to request a vision and/or hearing screening be performed on their child, the request may be sent to the school nurse.

Saraland City Schools follows Alabama State Department of Education guidance for the offering of immunization clinics in the school setting. In the spring of the year, clinics are offered for Tdap, Meningitis, and HPV. Additional clinics may be offered as guidance permits (i.e., influenza, COVID-19, etc.). Email Mrs. Diana Collins, Health Services Supervisor, at [dcollins@saralandboe.org](mailto:dcollins@saralandboe.org) for additional information.

## IMMUNIZATIONS

Alabama law requires all students to have a current immunization certificate often referred to as the "Blue Card." The original "Blue Card" is kept on file at the student's school and must be updated per state guidelines. The required certificate may be obtained from the physician or clinic that administers the vaccine or may be completed by any county health department in the state if the parent/guardian presents a vaccine record from the provider. For students who are moving to Alabama, out-of-state vaccine records must be transferred to the Alabama Certificate of Immunization prior to school enrollment. This may be accomplished by taking a vaccine record from the provider to the local county health department, or, if the family has chosen a physician in Alabama, the physician may transpose the record.

The state of Alabama does not recognize philosophical, moral, or ethical exemption from vaccination. A physician may issue a medical exemption, or an Alabama Certificate of Religious Exemption may be obtained from the local county health department.

## **MEDICATION PROTOCOL**

All medications require parents/guardians to complete the Alabama State Department of Education School Medication Prescriber/Parent Authorization (PPA) forms. New forms must be renewed at the beginning of every school year and any time the doctor makes a change to prescribed medication. Only the prescriber (MD, NP, PA) can change a medication order (dose, frequency, specific time, etc.). Changes to the medication orders by a parent/guardian will not be accepted.

*Note: Only one medication per Prescriber/Parent Authorization (PPA) form is acceptable. If a student has multiple medications, a separate PPA must be completed and signed for each medication.*

## **MEDICATION GUIDELINES**

- All medications must be hand delivered by the parent or guardian to the school nurse. This includes all students who "self-administer" and/or "self-carry" medications.
- The school nurse must verify all orders before a student is allowed to carry/self-administer medication.
- The school nurse will count all medications in the presence of the parent or guardian. The parent/guardian and the nurse will sign a form that indicates the medications were received, counted, and secured by the school.
- Medications are always stored in a locked/secure medication container/cart except for those with permission to carry their medication on person.
- The parent/guardian will be notified when their child's medication is completed or becomes out of date. Expired medications will not be given at school.
- For controlled substances, no more than a 30-day supply of medication should be supplied for the student to take at school. The parent/guardian will be responsible for updating the supply monthly.
- All student medications must be picked up by the last day of school, before summer break, or the medications will be destroyed per federal regulations in the presence of a witness, as indicated. No medications will be kept at school over the summer.
- Some medications are not to be given during school hours. The school nurse reserves the right to refuse to administer certain medications unless a doctor has specifically written that the medication be given during school hours.
- The parent/guardian should provide the school nurse with a list of possible side effects for medications taken over a 30-day period.
- The first dose of any new medicine should not be given at school due to the potential for severe side effects or reactions to the medication.
- Saraland City Schools follows the Alabama State Department of Education and Alabama Board of Nursing guidelines for the administration of medications to students.
- Only school nurses and approved non-licensed medication personnel are legally allowed to administer medications to students.

## **PRESCRIPTION MEDICATIONS**

To be administered at the school, prescription medications require a completed Prescriber/Parent Authorization Form (PPA) signed by a doctor and parent/guardian for each medication. Additional requirements include:

- Stored in the original container with a current pharmacy prescription label attached.
- Student's name printed on the prescription label and identical name listed on the PPA form. A valid date of expiration must also be printed on the label. Expired medications will not be accepted.
- Medications should **not** be mixed in a container with any other medications unless indicated on the label.

## **OVER-THE-COUNTER MEDICATIONS / NON-PRESCRIPTION MEDICATIONS**

Any medication requested to be administered at school requires a completed Prescriber/Parent Authorization Form (PPA) signed by a doctor and parent/guardian. Additional requirements include:

- Medication must be provided by the parent/guardian in the original unopened/sealed container identifying the medication name, dosage, and manufacturer's labeling. Mark student's name clearly on the original container. No other medications can be mixed inside the container.
- Medication is to be distributed according to manufacturer's recommendations/physician's order.
- No aspirin or aspirin containing medication (salicylate) will be given to children or teenagers under the

age of 18 years of age, unless prescribed by a physician.

- Medication must have a valid date of expiration. Expired medications will not be accepted.

### **MEDICATIONS THAT ARE “ON PERSON” OR “SELF-CARRY”**

The following are procedures for medications that students may need to possess for self-medication:

*Note: A parent/guardian must sign, and physician approve the "Self-Administration" areas of the PPA.*

- Inhalers - All students with inhalers must have a copy of the prescription label attached to the inhaler or the inhaler should be in the original prescription labeled box.
- Epi-Pens (TwinJect, Epinephrine, Adrenalin) - All students with Epi-Pens, TwinJects, and other pre-filled single use epinephrine auto injectors must have a copy of the original pharmacy prescription label attached to the cartridge holder or the original box.
- Students may only carry medications indicated for a "chronic" health condition (asthma, diabetes, seizures, etc.). The doctor must indicate the "chronic" condition on the PPA and check the "kept on person" and/or "self-medication" box on the PPA. This must be approved by the school nurse.

### **INFLUENZA ILLNESS**

In accordance with the Influenza Act (2017-368), Saraland City Schools shall provide information about the disease as well as guidelines and prevention. Influenza clinics are held in the school setting for employees and all students. Information on school clinic schedules will be sent home with all students.

### **MENINGOCOCCAL MENINGITIS AWARENESS**

In accordance with the Jessica Elkins Act (2014-274), Saraland City Schools shall provide awareness and vaccine information regarding Meningococcal Meningitis for parents/guardians of students in grades 6-12. Parents/Guardians are encouraged to visit [cdc.gov](http://cdc.gov) and type in meningococcal disease in the search box for information on awareness, prevention, and vaccination of Meningococcal Meningitis.

### **SUNSCREEN USE AT SCHOOL**

Students will be allowed to possess and use federal Food and Drug Administration regulated over-the-counter sunscreen at school and at school-based events. Any student, parent, or guardian requesting a Board employee to apply sunscreen to a student shall present the nurse a Parent Prescriber Authorization (PPA) Form. The student or parent/guardian is responsible for providing sunscreen. For administration at school, the sunscreen must be safe for the age of a particular child, in the original container, within the expiration date noted on the product, and properly labeled and with the child's full name.

### **BACKPACK AWARENESS POLICY**

The Backpack Act (2017-19) provides awareness of the dangers of heavy backpacks. Visit the Health Services resource section on school websites for information.

### **NALOXONE**

Saraland City Schools will stock Naloxone for opioid overdose on middle and high school campuses in accordance with the Alabama Department of Public Health and Alabama State Department of Education.

### **COVID-19 GUIDELINES (includes guidelines for health screenings at home, protocols, and masks)**

Since March of 2020, plans to address COVID-19 pandemic concerns have been implemented in Saraland City Schools. Procedures are updated as needed to comply with local government health orders as well as guidance from the Alabama Department of Public Health, the Mobile County Health Department, and the Alabama State Department of Education.

### **Parents, guardians, and students are asked to monitor health every evening and before school each morning.**

- Sick children should not report to school. Do not send a student to school if showing one or more of the following symptoms:
  - Fever of 100 or higher the day before or the morning of a school day
  - Cough, runny nose, and/or trouble breathing
  - Diarrhea or vomiting
  - Abdominal pain without other explanation
- If a child or a family member in close contact is diagnosed with COVID-19, contact the school or school nurse.

- If a child has a serious underlying health condition, seek physician guidance before returning to school.
- For more serious symptoms, immediately contact family physician or call ahead and go to local ER:
  - Rash all over the body
  - Both eyes appearing pink or red
  - Swollen hands and feet, which might also be red

Call your child's doctor before going to their office and follow their instructions. Children who have exhibited signs of COVID-19 may return to school with a written excuse from the doctor indicating clearance to return to school as health department guidance permits.

### **Please continue to implement the following measures to protect against COVID-19:**

- COVID-19 vaccinations are available through community providers.
- Stay home from work or school and limit contact with others when sick.
- Cover nose and mouth with a tissue when coughing or sneezing and properly discard of used tissues. If no tissue is available, cough or sneeze into the bend of arm, not hands.
- Frequently wash hands with soap and water or use an alcohol-based hand sanitizer that contains at least 60% alcohol if soap and water are not available.
- Avoid touching your eyes, nose, and mouth to limit the spread of germs.
- Mask/face covering may be worn per CDC recommendation or based on municipal or health department orders, unless not tolerated. Gaiter-type neck gear is acceptable. Ski masks and bandanas are not permitted.
- Avoid close contact with those who are ill.

### **MENTAL HEALTH (also see Counseling Services)**

Mental health includes our emotional, psychological, and social well-being. Mental health and mental illness are often confused terms. Like physical health, everyone has mental health or mental well-being that is based on a person's ability to solve problems, build relationships, and express emotions, thoughts, and feelings.

Saraland City Schools is committed to providing quality education to its students. To achieve this goal, parents/guardians or school staff may refer students for counseling (individual/group), or students may request counseling. Services may include individual and/or group counseling depending on student need.

Information will be kept confidential with limited exceptions. Due to the services being provided to minor children in the school setting, the school counselor may share information with parent/guardian, child's teacher, school personnel and/or administrators on a need-to-know basis so adults may work as a team to assist the child. Services are not intended to serve as a substitute for diagnosis or treatment for any mental health disorder. Referrals to outside agencies may be provided to the parent/guardian when needed.

To help educate students, families, and school employees, Mrs. Stephanie Pope serves the Spartans as Mental Health Service Coordinator (MHSC). For additional information on services available, email [spope@saralandboe.org](mailto:spope@saralandboe.org). There is no cost for counseling services that are provided through the school system during the school year.

## **SAFETY PLANS**

Each school has a safety plan that addresses safety procedures and responsibilities for intruders, weather, locked doors, evacuations, and fire.

## **FIRE, LOCKDOWN, AND SEVERE WEATHER DRILLS**

When a tornado watch is in effect at the conclusion of the normal school day, students may be released according to regular dismissal and transportation plans.

## **TORNADO WARNING**

In the event a tornado warning is issued for areas in which a school is located, the principal or his or her designee should take all actions necessary to promote student safety as outlined in each school's safety plan. If a tornado warning is in effect, students may not be released pursuant to regular transportation plans. If conditions permit, students may be released during a tornado warning to parent/guardian, provided said parent/guardian reports to the school and assumes custody of their child.

Such clubs and organizations shall not be affiliated or associated with any political or religious organization or any organization that denies membership based on race, creed, color, or political beliefs. All school-sponsored clubs and organizations shall be sponsored by a member of the faculty approved by the school's principal.

## **PROHIBITED SUBSTANCE SCREENING PROCEDURES FOR STUDENTS WHO PARTICIPATE IN EXTRACURRICULAR ACTIVITIES:**

It is the objective of the Saraland Board of Education to ensure all students who wish to participate in extracurricular activities be given the opportunity to do so in a safe, drug-free environment and that all students participating in extracurricular activities, while under the supervision of the school system, be completely free from the effect of alcohol and/or the presence of illegal or controlled substances. To meet this objective, the Board reserves the right to require any student desiring to participate in extracurricular activities, events, practice, competition, or at any other time while under the supervision of the school system, to conduct a random unannounced drug screening.

The Board has the right to conduct random unannounced drug screenings of students participating in extracurricular activities, as well as the right to conduct specific drug screening of students whenever an administrator, a coach, assistant coach, teacher, sponsor, and/or band director observes circumstances which provide reasonable suspicion or belief that the student has used alcohol, illegal drugs, or other substances that violate the school substance abuse policies. Furthermore, the Board grants the coach and/or sponsor the right to have the entire team or participating students tested during related sport's season or sponsored activity.

Results of drug screening may result in mandated counseling and impact eligibility to participate in extracurricular activities and suspension of on-campus driving privileges.

## **ATHLETIC PHYSICAL EDUCATION**

Saraland High School student athletes may enroll in an elective course related to team sport affiliation.

However, should a student be removed from the team or choose not to participate, the student's schedule will be changed to reflect team membership.

It is the objective of the Saraland Board of Education to ensure all students who wish to take advantage of the privilege of driving a vehicle on school property and/or parking a vehicle on school property be given the opportunity to do so in a safe, drug free environment, and that all students exercising the privilege of driving and parking on school property be completely free of the effects of alcohol and/or the presence of other illegal or controlled substances. To meet this objective, the Board reserves the right to require any student desiring to drive a vehicle on school property and/or park on school property be subject to and submit to random drug tests at any time while on school property or while participating in school sponsored events.

The Board will allow principals to designate such other and additional requirements for the privilege of driving a vehicle on school property and/or parking a vehicle on school property including, but not limited to, academic standards, attendance standards, and the payment of fees. The local school principals may also establish the priority for issuance of parking permits.

The Board also has the right to require the passing of a drug test as a condition to granting such privileges, the right to conduct random unannounced drug screening for students taking advantage of student parking privileges, as well as the right to conduct specific drug screening of students whenever a school official observes circumstances which provide reasonable suspicion or belief that the student has used alcohol, illegal drugs, or other substances that violate the school substance abuse policies.

The Superintendent shall prepare procedures for implementing this policy consistent with local, state, and federal laws.

Police may escort the offending student(s) off campus. In appropriate cases, school personnel may request warrants of arrest.

## **UNIFORM POLICY**

A student uniform policy is necessary to maintain a school atmosphere that supports and encourages learning. Dress and/or grooming styles that draw an inordinate amount of attention to the individual student or cause divisiveness are considered inappropriate for school and are a violation of the uniform policy. The dress and/or grooming style of any student must not interfere with the educational process in any way. Non-conformity to the uniform policy is a Class I offense and will be treated as such. In addition, students will be asked to come into compliance with the uniform policy immediately. Parents/guardians will be contacted and may be asked to furnish appropriate clothing.

## **DETENTION**

The principal or designee has the authority to assign students to detention on campus before or after the regular school day for a specified period of time as a disciplinary action. Students will be given a one-day notice of their detention assignment. The parents or guardians are responsible for providing transportation in these cases. Failure to attend assigned detention will subject the student to additional disciplinary actions. Concerns regarding a detention assignment should be discussed with the principal prior to the date of the assigned detention.

## **IN-SCHOOL SUSPENSION (ISS) - MIDDLE AND HIGH SCHOOL**

In-school suspension is a structured disciplinary action in which a student is isolated or removed from the regular classroom and extracurricular activities but is not dismissed from the school setting nor counted absent during the assignment to in-school suspension. The principal or designee has the authority to assign students to the in-school suspension program for a specified period. The principal and their staff should determine the scope of in-school suspension in their respective schools. The parent or guardian must be notified by the same procedure outlined in the out-of-school suspension policy.

## **OUT-OF-SCHOOL SUSPENSION**

The Board recognizes its authority to maintain good order and discipline within the schools of the school system. Therefore, the Board gives school principals or designees the authority to suspend a student from school for just cause. However, the principal or designees shall be required to advise the Superintendent of all out-of-school suspensions. Additionally, parent/guardian(s) will be provided written notice explaining the terms of the suspension, including but not limited to, the circumstances surrounding the incident, the length and terms of the suspension, and conditions for re-admittance.

**Terms of Suspension** – The following terms/conditions apply during the time students are subject to out-of-school suspension:

- While suspended, a student may not attend or participate in any school system function or enter any school system property for any reason.
- When a student is suspended, his/her teachers must be notified immediately concerning the date and duration of the suspension.
- A suspended student must comply with the full length of the suspension unless the principal approves an alternative.

**Authority** – The school principal or designee has the authority to suspend regular education students from school up to ten (10) school days per incident/disciplinary infraction. Prior to suspending students in this manner, the student will be afforded a minimal due process hearing with the school principal or designee. However, where a student's presence poses a continuing danger to persons or property or an ongoing threat of disrupting the academic process, such student may be immediately removed from school, and in such cases, the minimal due process should follow as soon as practicable.

**Students Leaving School Sites** – No suspended student shall be allowed to leave the school campus during the school day until the student's parent, guardian, or proper authority assumes responsibility for him/her. When a student's parent, guardian, or other designated individual(s) cannot be notified, the student must remain on the school campus until the end of the school day. Decisions regarding transportation home will be based on safety of all students.

**Immediate Removal of Students** – Immediate removal of a student from a school campus is justified only when his/her presence threatens himself/herself, endangers school property, or seriously disrupts the orderly educational process. If immediate removal is necessary, attempts must be made by the principal or designee to notify a parent or guardian.

**Forced Removal of Students** – Principals may call upon law enforcement agencies to remove students who create material and/or substantial disruption by endangering themselves, school personnel, other students, or school property. The principal will notify the Superintendent regarding forced removals.

**Readmission Requirements** – The student and his/her parents or guardians are required to meet with the principal or designee to discuss conditions and terms related to the suspension. This requirement applies to each out-of-school suspension regardless of the number of suspensions or the duration of the suspension.

**Suspension with an Expulsion Recommendation** – If an incident or violation or series of incidents or violations are serious enough to warrant suspension with a recommendation for expulsion, said suspension may not exceed ten (10) complete school days pending Board action on the expulsion recommendation.

**Suspension During Exams** – When a student is suspended during end-of-term examinations, he/she may be given the opportunity to take missed examinations at a time specified by the principal or designee.

**Students with Disabilities** – This policy shall not be read to contradict federal and state laws/regulations concerning students with disabilities. When disciplinary measures involve students with disabilities, said law/regulations shall prevail in the case of any inconsistency with this policy.

### **SARALAND ALTERNATIVE LEARNING CENTER (SALC)**

The Saraland Alternative Learning Center (SALC) may be utilized by school administration to enforce Saraland City Schools' *Student Code of Conduct*. The SALC is an alternative placement option used to address disciplinary infractions of students in grades 6-12. Student transportation is not provided to the SALC and will be the responsibility of the parent/guardian whose child has committed the infraction. Hours of operation are 8:00am – 2:00pm. Additional non-compliance with the Saraland City Schools' *Student Code of Conduct* while assigned to the SALC may result in a recommendation of expulsion.

The SALC is located behind Saraland Middle School. Parents and students attending the SALC should enter the campus using the south entrance and drive behind the middle school to the identified building. Students are not allowed to operate an automobile on the Saraland Middle School campus. At no time should parents/guardians or students reporting to the SALC enter the front office area of Saraland Middle School. For more information, contact Dr. Brian Finnigan, Director of the Saraland Alternative Learning Center at [bfinnigan@saralandboe.org](mailto:bfinnigan@saralandboe.org).

### **PHYSICAL RESTRAINT**

As part of the policies and procedures of the Saraland City Schools, the use of physical restraint is prohibited in the district and its programs except in those situations in which the student is an immediate danger to himself or others and the student is not responsive to less intensive behavioral interventions including verbal directives or other de-escalation techniques. Physical restraint is expressly prohibited when used as a form of discipline or punishment. The use of other physical restraint, mechanical restraint, or seclusion is prohibited in the Saraland City Schools and its educational programs.

The use of restraint may occur along with other emergency actions such as the school seeking assistance from law enforcement and/or emergency medical personnel that could result in the removal of the student by such personnel.

### **REFUSAL TO IDENTIFY SELF**

All students must, upon request, identify themselves to school authorities while in school buildings, on school grounds, or at school-sponsored events. A person who refuses to state identification upon request of school officials will be considered trespassing and is subject to disciplinary action including suspension or expulsion.

### **SEXUAL HARASSMENT OF STUDENTS**

The Saraland City Board of Education prohibits harassment against any employee, applicant for employment, student, or student applicant based upon race, color, religion, gender, age, ethnicity, national origin, marital status, disability, political or religious beliefs, or social and family background. This policy also applies to non-employment volunteers who work subject to the control of school authorities.

A complaint form is included in this handbook. For additional information on reporting, refer to Board policy 3.43 Prohibition of Sexual Harassment Title IX.

## STUDENT CODE OF CONDUCT

**Classification of Violations** – Violations of the *Student Code of Conduct* are grouped into the three classifications of minor, intermediate, and major offenses. Each classification is followed by a disciplinary procedure to be implemented by the principal or designees.

**Procedures for the Administration of Formal Disciplinary Action** – Each classroom teacher will address general classroom disruptions by taking in-class disciplinary action, by contacting parent(s) or guardian(s) when feasible, and/or by scheduling conferences with the parent(s) or guardian(s) and other school staff. Only when the action taken by the teacher is ineffective or the disruption is severe, should the student be referred to the principal or designee.

*Student Code of Conduct* offenses are cumulative for students, in that past disciplinary records for a student with chronic behavioral referrals are considered for subsequent discipline infractions. A general education student who accumulates three suspendable offenses or ten days of suspension per year may be subject to a Board hearing for possible expulsion or placement in the Saraland Alternative Learning Center (SALC) for a minimum of 45 days.

Saraland City Schools does not implement corporal punishment in its schools. School administrators adhere to the Board approved *Student Code of Conduct* when disciplining students.

**School Property** – Desks and lockers are school property, and school authorities may make regulations regarding their use. ## RIGHTS AND RESPONSIBILITIES

### FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA) 1974

FERPA affords parents/guardians and students over 18 years of age "eligible students" certain rights with respect to the student's education records and personally identifiable information.

These rights are:

- Inspect and review information contained in their education records, to challenge the contents of the education records, to have a hearing if the outcome of the challenge is unsatisfactory, and to submit explanatory statements for inclusion in the files if the decisions of the hearing panels are not acceptable to the challenging party.
- Consent before students are required to submit to a survey that concerns one or more of the eight protected areas as designated by the statute. It also provides the right to receive notice and an opportunity to opt a student out of protected area surveys, non-emergency invasive physical exams, or screenings.
- Consent to disclosures of personally identifiable information contained in the student's records, except to the extent that FERPA authorizes disclosure without consent. Information may be disclosed to school officials with legitimate educational interests.
- File a complaint with the Family Policy Compliance Office (FPCO), US Dept of Education; Washington, DC. with the alleged failure(s) by the school district to comply with FERPA requirements.

### NOTICE FOR DISCLOSURE OF SCHOOL DIRECTORY INFORMATION

FERPA requires that Saraland City Schools, with certain exceptions, obtain written consent from a parent/guardian prior to the disclosure of personally identifiable information from a student's education records. However, Saraland City Schools may disclose appropriately designated "directory information" without written consent, unless the parent/guardian has advised the district to the contrary in accordance with district procedures. The primary purpose of directory information is to allow Saraland City Schools to include this type of information from a student's education records in certain school publications (i.e., school yearbook, honor rolls/other recognition lists, and/or sports activity lists).

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent's prior written consent. Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks. In addition, two federal laws require local educational agencies (LEAs) receiving assistance under the Elementary and Secondary Education Act of 1965 (ESEA) to provide military recruiters, upon request, with three directory information categories - names, addresses and telephone listings - unless parent/guardian has advised the LEA

that they do not want their student's information disclosed without their prior written consent. If you do not want Saraland City Schools to disclose directory information from your child's education records without prior written consent, you must notify the school in writing during student registration each year. Saraland City Schools has designated the following information as directory information:

- Student's name
- Participation in officially recognized activities and sports
- Address
- Telephone listing
- Weight and height of members of athletic teams
- Electronic mail address
- Photograph
- Degrees, honors, and awards received
- Date and place of birth
- Major field of study, dates of attendance, grade level
- The most recent educational agency or institution attended

## **PARENT/GUARDIAN INFORMATION AND RESPONSIBILITY**

Under Alabama law, local school systems are required to inform parents and guardians of their education-related responsibilities. Parents and guardians are responsible for the child's attendance and conduct in school. Parents and guardians are required to read the *Code of Student Conduct* and return a signed acknowledgement form.

Section 16-28-12(b) of the *Code of Alabama* provides as follows:

Each local board of education shall adopt a written policy for its standards on school behavior. Each local public school superintendent shall provide at the commencement of each academic year a copy of the written policy on school behavior to each parent, guardian, or other person having care or control of a child who is enrolled. Included in the written policy shall be a copy of this section. The signature of the student and the parent, guardian or other person having control or custody of the child shall document receipt of the policy.

Section 16-28-12 (a) further provides that parents or guardians who fail to compel their child to regularly attend school or fail to compel the child to properly conduct himself or herself as a pupil in accordance with the written policy on school behavior adopted by the Saraland City Board of Education shall be guilty of a misdemeanor and, upon conviction, shall be fined not more than \$100 and may be sentenced to hard labor for the county for not more than 90 days.

Parents and guardians should also be aware of the following, pursuant to § 16-1-24.1(e) of the *Code of Alabama*:

- A parent, guardian, custodian, or person, excluding a foster parent, responsible for the care or control of a minor child enrolled in a public school system shall be responsible financially for such child's destructive acts against school property or persons.
- A parent, guardian, custodian, or person, excluding a foster parent, responsible for the care or control of a minor child enrolled in a public school system may be requested to appear at school by an appropriate school official for a conference regarding acts of the child.
- A parent, guardian, custodian, or person, excluding a foster parent, responsible for the care or control of a minor child enrolled in a school system who has been summoned by proper notification by an appropriate school official shall be required under this provision to attend such discipline conference.

Furthermore, with certain exceptions, the school system is entitled to recover actual damages from the parent or guardian, or both, of any minor who maliciously and willfully damages or destroys property belonging to the school system.

## **STUDENT DUE PROCESS**

The intention of the Saraland Board of Education is to afford due process when the procedures contained within the *Student Code of Conduct* are implemented. The degree of procedural due process provided shall be based upon the gravity of the offense and the severity of the contemplated penalty. Before being punished for violations of school regulations or Board policy, students have the right to the following minimum due process procedures:

- School rules will be clearly stated and related to the educational purposes of the school.
- School rules will be fair and specific enough for students to know what they may or may not do.

- Students, parents, and guardians will be informed of the rules affecting behavior and discipline.
- When disciplinary action is involved, school personnel and students will comply with required procedure, including but not limited to, providing oral or written notice to student of charges and evidence, as well as an opportunity for accused student to provide explanation of the events.
- For long-term suspension (more than 10 days) or expulsion, the Board shall afford the student the right to a hearing; the right to be represented by council; the opportunity for cross-examination of witnesses; a written record of the decision; and the right of appeal.
- Any student who has been identified with a disability under the provisions of the Individuals with Disabilities Education Act; Americans with Disabilities Act; and/or Section 504 of the Rehabilitation Act of 1973 is subject to the provisions of the *Student Code of Conduct* and may be suspended or expelled. However, all procedural safeguards set forth in the above-mentioned applicable laws will be followed.

- Students must be at their bus stop on time. The bus will not wait for students who are tardy. Plan to be at the bus stop at least ten (10) minutes early.
- The bus stop is considered to be school grounds. All school rules apply while being transported on a school bus. Violations of the *Student Code of Conduct* will result in appropriate disciplinary actions.
- Students may not run to or from the bus stop.

- Students should be alert for vehicles in driveways and parking lots.
- Student should refrain from horseplay while waiting on the bus.
- Students should not move toward the bus until the driver has given permission. Students should always follow the driver's instructions.
- Cell phones, I-Pod's, MP3 players, and music devices are allowed by driver permission only and only with earbuds or headphones. A driver may deny one **or** all riders the use of phones or music devices on their bus.
- Talk quietly and stay seated while the bus is in motion.
- Be courteous and respectful of others. No loud talking or shouting.
- Keep arms and head inside the windows.
- Be silent at railroad crossings.
- Keep books, backpacks, and other belongings out of the aisle.
- Do not use profanity or abusive language.
- Eating and drinking on the bus is prohibited.
- Do not write on or damage the seats. Student/parent/guardian may be responsible for damages.
- Never throw objects inside the bus or out of the window. Student/parent/guardian will be responsible for damages incurred by such action.
- Do not leave paper or trash on the bus.

### **SAFETY TIPS FOR STUDENTS**

- Hold onto the handrail to prevent a slip or fall.
- Go directly to seat and sit down.
- Move away from the bus as soon as you exit.
- Look to the rear of the bus for oncoming vehicles when exiting the bus.
- Do not play in loading/unloading zones.
- Never bend down near or under the bus.
- Always stay where you can be seen by the bus driver.

### **FOR THE PARENTS/GUARDIANS**

- Students will only be picked up and dropped off at assigned bus stop.
- Parents/guardians should read and discuss school bus riding policies with their children and explain that the rules are written for the safety of everyone on the bus.
- Know the laws concerning stopping for school buses that are loading and unloading.
- Objects that could cause reduced visibility or distractions should not be carried on the bus. Items included, but not limited to balloons, kites, animals, insects, plants, and large posters.
- Parents, guardians, and unauthorized persons are not allowed to board the school bus.
- Saraland Early Education Center (SEEC) bus riders will not be allowed to exit the bus without a parent, legal guardian, or designee present at the student's approved bus stop and will be returned to the SEEC at the end of the route where the student can be picked up. After a student has been returned to SEEC two (2) times, the student will be removed from the bus for one week. Additional failure to meet the student at the approved bus stop may result in long term removal from the bus.

### **BUS DISCIPLINE**

- Riding the school bus is a privilege, not a right. Misconduct on the bus is a safety hazard and may result in a student losing that privilege and subject the student to additional disciplinary consequences.
- School officials are authorized to suspend or terminate bus privileges. If a child loses his/her bus riding privilege, the parent/guardian assumes the responsibility for transportation to and from school.
- Additionally, students may receive detention, ISS, or suspension for violations of school rules during transport.

## TECHNOLOGY

### CELL PHONES/ELECTRONIC COMMUNICATIONS DEVICES

Personal wireless communication devices, personal mobile computers, and mobile phones must be turned off during school hours unless granted permission by the principal (or designee) for supervised classroom instruction. It is the student's responsibility to ensure that the device is turned off and out of sight during unauthorized times.

Students who choose to connect to the district network agree to the requirements of the Student Internet Acceptable Use Policy.

Students who bring mobile devices to school assume all risks of damage, theft, loss, or misuse of the device. The district holds no responsibility for damage or loss of personal devices.

### USE OF DIGITAL DEVICE DURING ADMINISTRATION OF SECURE TESTS

The possession of a digital device including but not limited to mobile devices capable of capturing or relaying information is strictly prohibited during the administration of a secure test. If a student is observed in possession of a device during the administration of a secure test, the device will be confiscated and subject to search, the test will be invalidated, and student will be dismissed from testing and subject to disciplinary actions.

### SOCIAL MEDIA

Any social media account or page that uses the official name of the Saraland City Board of Education; its logo or mark that purports to officially represent the Board, the school system, a Board facility, local school, school-sponsored activity or any other group or organization officially affiliated with the school system must be created and administered by a Board employee who has been authorized by the Superintendent or designee to take such action. Social media are defined but not limited to websites, blogs, wikis, social networks, online forums, virtual worlds, and any other social media generally available to the public (i.e., Facebook, Twitter, LinkedIn, Flickr, YouTube, etc.). The Superintendent is authorized to develop such procedures as may be necessary to implement this policy.

### INTERNET SAFETY & ACCEPTABLE USE OF COMPUTER TECHNOLOGY, Grades K-12

**General** – All students must take responsibility for appropriate and lawful use of Internet access provided by Saraland City Schools. Access to resources is a privilege, not a right, and may be revoked if abused. Refer to the Technology Acceptable Use Policy for further information.

**Access** – The school system's technology network is a limited forum, like the school newspaper, and therefore the school system may restrict speech while using the network. No privacy of network activities should be expected.

- Individuals may only use approved resources.
- Individuals must not attempt to circumvent content filtering, disrupt any services or data integrity by engaging in inappropriate activities (VPN, proxy, or DNS over HTTPS, etc.).
- Any devices used on school grounds are subject to all rules covered in this policy and other applicable published guidelines. The permission for such personal devices to be brought to school and the use of such devices will be at the discretion of the local school administration.
- School administrators will determine when inappropriate use has occurred, and they have the right to deny, revoke, or suspend specific user accounts to include WIFI privileges for a minimum of 30 days. A student found to be in violation of the Acceptable Use Policy (AUP) is subject to disciplinary action.

**Internet use** – Saraland City Schools has established measures to help protect Internet users. Although the Saraland City Schools provides content filtering in addition to teacher/staff supervision, it is not possible to screen all materials. It is important for families to discuss the appropriate use of the Internet and to set expectations for the kinds and types of materials that are acceptable for viewing. Students gain access to the Internet by agreeing to the AUP.

**Electronic mail** – Electronic mail access is intended to support only educational, instructional, and administrative functions.

**Web publishing** – Saraland City Schools’ websites are limited to usage associated with activities of the school district. Student pictures or other personally identifiable information can be used in accordance with the signed Saraland City Schools Publication Agreement and in accordance with FERPA guidelines.

- Individual students may be identified unless permission to do so is denied by the parent or guardian in writing on an opt-out basis.
- Full names may only be used for academic purposes as well as in reporting student participation in school sponsored extracurricular activities, achievements, and other positive recognitions.

The school system’s websites are publications designed to inform students, parents, guardians, and the community about school activities. Many teachers post assignments on websites. Although this is an excellent instructional tool, there are times when the Internet may not be available. Lack of Internet access does not relieve the student of the responsibility of complying with classroom instructions from the teacher or contacting the teacher or school to obtain current instructions, assignments, or other guidance.

#### **Data security –**

- Users who are provided school issued accounts must take all reasonable precautions to prevent unauthorized access to accounts and data and any other unauthorized usage within and outside the Saraland City School District.
- Students shall be responsible for reporting suspected or actual breaches of data security whether due to inappropriate actions, carelessness, loss/theft of devices or failures of technical security measures.
- Individuals may not attempt to log into school issued accounts using credentials other than the login(s) assigned to him/her.
- Users are expected to maintain and back up their critical files and data.

**Privacy** – To maintain network integrity and to ensure that the network is being used responsibly, if any policy violation or inappropriate behavior is suspected, school administrators reserve the right to inspect any and all data, including data stored by individual users on individual school or personal devices. Users should be aware that activities might be monitored at any time, without notice. Because communication on the Internet is public in nature, all users should be careful to maintain appropriate and responsible communications.

The following rules and policies govern the use of the Saraland City Schools’ technology resources:

**Personal safety and personal privacy** – Students are prohibited from posting personal contact information about themselves. Students should never meet or agree to meet with a person communicated with online. Students should promptly disclose to a teacher, counselor, or principal any message received that is inappropriate.

**Illegal activities** – Students will not use the school’s technology resources to engage in any illegal act.

**Inappropriate communication** – Restrictions against inappropriate language apply to public messages, private messages, and material post on web pages. Students will not post information that could cause damage or a danger of disruption. Students will not engage in personal attacks, including prejudicial or discriminatory attacks. Students will not harass another person. Harassment is persistently acting in a manner that distresses or annoys another person. If told by a person to stop sending messages, stop. Students are prohibited from recklessly posting false or defamatory information about a person or organization.

**Plagiarism** – Plagiarism of another’s published work, whether in printed text or the Internet, is prohibited. Plagiarism is taking the ideas or writings of others and presenting them as if they were yours.

**Disciplinary actions** – Routine maintenance and monitoring of the network may lead to discovery that you have violated school policies or the law. The school system will cooperate fully with local, state, or federal officials in any investigation related to any illegal activities conducted while using school technology resources. In addition to appropriate punishment as defined in the *Student Code of Conduct*, individuals subject to a claim of policy violation will be provided due process and will be subject to criminal prosecution and civil liability.

**Limitation of liability** – Saraland City Schools expressly denies all warranties of any kind, either express or implied, in connection with its provision of access to and use of its computer networks and the Internet provided under this Policy. It shall not be responsible for any claims, losses, damages, or costs (including attorney’s fees) of any kind suffered, directly or indirectly, by any user or his or her parent(s) or guardian(s) arising out of the user’s use of its computer networks or the Internet under this Policy. By signing this Policy, users accept full

responsibility for use, and the user who is 18 or older or, in the case of a user under 18, the parent/guardian agrees to indemnify and hold the Saraland Board of Education, the Saraland City Schools, and all of their administrators, teachers, agents, and staff harmless from any and all loss, costs, claims or damages resulting from the user's access to its computer network and the Internet, including but not limited to any fees or charges incurred through purchases of goods or services by the user. The user or, if the user is a minor, the user's parent/guardian agrees to cooperate with the Board in the event of the Board's initiating an investigation of a user's use of his/her access to its computer network and the Internet, whether that use is on a school computer or on another computer outside the school system's network.

## STUDENT ASSESSMENT PROGRAM

### FORMATIVE ASSESSMENTS

Formative assessments are used throughout the year to provide feedback to teachers and students regarding student mastery of course of study objectives. Information gained through formative assessments provides opportunities for teachers to adjust the ways in which they deliver instruction. For example, they may reteach a concept, use alternative instructional approaches, or offer more opportunities for practice and reinforcement. These activities can lead to improved student success. Teachers in Saraland utilize a variety of formative assessments including but not limited to unit assessments, DIBELS, and iReady. Classroom teachers and school administrators can provide additional information about specific formative assessments utilized by each grade level.

### SUMMATIVE ASSESSMENTS

Students enrolled in Alabama public schools are assessed annually using a variety of state mandated standardized assessments. For the 2022-2023 school year, school accountability will be measured by ACAP assessments for students in grades 2-8. Other mandated assessments that will be administered include: the Pre-ACT (9<sup>th</sup>-10<sup>th</sup> grade), the ACT (10<sup>th</sup> and 11<sup>th</sup> grade), and ACT WorkKeys assessments (optional for 12<sup>th</sup> grade). The following is a description of the assessments administered:

**Alabama Comprehensive Assessment Program (ACAP) (Grades 2-8)** – To measure annual reading and math progress, all 2<sup>nd</sup>-8<sup>th</sup> grade students participate in the *ACAP Summative*. Features of this online assessment include:

- Second grade students take the ACAP with scores used to measure growth in the 3<sup>rd</sup> grade year.
- A writing component is included for grades 4 through 8.
- In addition to reading and math, grades 4, 6, and 8 also take a science assessment.

**Pre-ACT (Grades 9 and 10)** – Using an abbreviated test, the PreACT simulates the ACT testing experience on all four ACT test subjects: English, math, reading and science. Pre-ACT test results predict future success on the ACT test and provide both current achievement and projected future ACT test scores on the familiar 1-36 ACT score scale.

**ACT with Writing (Grade 11)** – The ACT is the capstone of ACT College and Career Readiness Solutions, and it is aligned to Alabama's College and Career Readiness Standards. The ACT with Writing is administered **free of charge** to all grade 11 students enrolled in Alabama public high schools. The ACT contains four curriculum-based tests which measure academic achievement in the areas of English, mathematics, reading, and science reasoning. The tests are measures of academic development that rely largely on students' skills in applying the content knowledge and reasoning skills acquired in their course work. The ACT is accepted by four-year colleges and universities in the United States for college admissions and scholarship application purposes.

For additional information on the ACT, visit [act.org](http://act.org). Note: ACT online preparation resources are available for high school students. Login information will be provided by the school. For ACT preparation information, contact Saraland High School Assistant Principal, Mr. Scott Croley at [scroley@saralandboe.org](mailto:scroley@saralandboe.org).

Saraland High School students in grade 10 will also be administered the ACT without the writing assessment free of charge on March 14, 2023.

**ACT WorkKeys (Grade 12)** – ACT WorkKeys assessments are research-based measures of foundational work skills required for success across industries and occupations. Grade 12 students may opt to take the Applied Mathematics, Graphic Literacy, and Workplace Documents tests. Based on the scores attained on the three

assessments, students may be eligible to earn a Bronze, Silver, Gold, or Platinum ACT National Career Readiness Certificate (NCRC). The ACT NCRC is widely used by employers, educators, workforce developers, and others with a stake in the success of the economy. Visit [act.org/workkeys](http://act.org/workkeys) for additional information. Note: ACT Curriculum, an online WorkKeys preparation resource, is available for high school students. Login information to be provided by school. For more information, contact Mr. Scott Croley, Assistant Principal, at 251.602.8970 or [scroley@saralandboe.org](mailto:scroley@saralandboe.org).

**ACCESS for ELLs 2.0** – ACCESS is administered annually to Alabama students in Grades K-12 identified as an English language learner. The assessment monitors students' progress in acquiring academic English within the school context, as well as language associated with language arts, mathematics, science, and social studies across four domains of Speaking, Listening, Reading, and Writing. For more information, email Mrs. Lindsey Simmons, English Learner Resource Teacher, [lsimmons@saralandboe.org](mailto:lsimmons@saralandboe.org).

**Alternate Alabama Comprehensive Assessment Program (ACAP)** – The Alternate ACAP Assessment is a criterion-referenced state assessment administered as an alternative to general education state assessments. The Alternate ACAP is administered to students with significant cognitive disabilities working to achieve the Alabama Extended Standards.

## PSAT

The PSAT/NMSQT (or National Merit Scholarship Qualifying Test) is a preliminary version of the SAT. Not only does the PSAT help prepare students to take the SAT or ACT, a great score on the PSAT can also open the door to National Merit Scholarships and other awards. Saraland High School is scheduled to administer the PSAT on October 12, 2022, to 10<sup>th</sup> graders enrolled in Honors/AP courses and to 11<sup>th</sup> graders with a previously earned PSAT composite score of 80% or higher. Students with questions or interested in taking this test should contact a high school counselor.

## ACT NATIONAL TESTING SCHEDULE

In addition to the March administration for 10<sup>th</sup> and 11<sup>th</sup> grade students, the ACT is given in a four-hour morning session on **various test dates for a fee**. Those registered for the ACT with Writing will test for forty (40) additional minutes. Students may register online, review sample test questions, and obtain more information concerning the ACT at [www.act.org](http://www.act.org).
