4010 Lil' Spartan Drive Saraland, Alabama 36571 Phone (251) 375-5420

**SUPERINTENDENT – Aaron Milner, Ed.D.**

August 16, 2021

Parents/Guardians:

The Mobile County Health Department COVID-19 vaccination clinic for **second dosages** will be held on Thursday, August 19, 2021 from 1:00 p.m. to 4:00 p.m. in the Saraland High School gymnasium. **This clinic is only offered to those students, parents, and community members who received their first COVID-19 vaccination during the last week of July at Saraland High School registration (refer to the return date on back of vaccination card).** Parents/guardians do not need to accompany high school students; however, students must secure permission and bring the completed/signed permission form to the clinic (see attached). High school students will report to the gymnasium during clinic hours.

Saraland Middle School students who received their first shot during the last week of July may also have their permission forms completed in advance by parents/guardians, but it is requested that a parent/guardian bring their middle school student to the Saraland High School campus for the vaccination. Given afternoon school traffic, it is advised middle school students arrive at the high school by 1:00 p.m. Students may enter the clinic without a parent/guardian if the permission form is completed. Please expect a wait time before administration and a 15-minute observation after the vaccination is given.

Parents, guardians, and community members who participated in the July vaccination clinics at Saraland High School will also be able to receive their second dose vaccination during clinic hours on August 19<sup>th</sup> from 1:00 p.m. to 4:00 p.m. The Mobile County Health Department will have vaccine available for the second dosages based on the number who participated in the July clinics.

Second dosages for those who participated in the August 4<sup>th</sup> clinic at Saraland High School will be available on Wednesday, August 25, 2021. Additional details will be provided closer to clinic date. If you have any questions, please contact 251-586-1495.

**Please bring your vaccination card to the clinic for the nurse to document your second dosage on the card.**

Thank you,

Diana Collins MSN, RN  
Health Services Supervisor  
Saraland City Schools
