- Our 2nd quarter service project is a canned food drive. On November 17th, students that bring in a canned food item will be allowed to wear a jersey with uniform bottoms. All NEHS students will be given a poster to deliver to a classroom. It is your job to visit your assigned class and tell students about the canned food drive. Posters should be left in the classroom you visit. Please ask the teacher you visit to put the poster on display in their room. All posters should be delivered to your assigned teacher by next Monday, November 6th.
