AR Update

Parents are often asking "how can my child improve their reading ability and comprehension levels"? The answer is to **READ – every day and at their ability level**. The Accelerated Reader program sets reading levels and goals for each student based on their diagnostic testing. Every student has a goal for each quarter. Please monitor your child's reading throughout the quarter. Deadline for 2nd quarter AR is **Friday, December 11th**. Students who reach their goal and have at least an 85% comprehension score will be invited to attend the AR Party in January 2021. Over 400 students attended the AR Reward party for 1st quarter!!!
